Have you experienced...

Cracks or gaps?

Cupping/crowning issues?

Buckling floors?

Moisture issues?

Out of square installations?

Hollow voids?

Are you confused with the many different types of floor maintenance products on the marketplace and which type to recommend?

Wondering what types of corrections can be done on site?

If you have answered "Yes" to any of these:

- Attend the CFI - NWFA Finished Hardwood Training
- We'll give you the cause, effect and answers to why and how to overcome these concerns
- Spend one day with technical and hands-on approach to these questions and learn more

Contact the CFI office @ 816-231-4646 for more information

REGISTRATION IS REQUIRED - Non-Refundable registration fee is due September 4th, 2009.

After September 4, 2009, cost is \$200.00

Please detach and mail to CFI 2400 East Truman Road, Kansas City, MO 64127
