- Out of square installations?

- Peaked seams?
- Patterns that are not aligned?
- Wavy carpet?
- Open seams?
- Uneven transitions?
- Out of square installations?

Are you confused with the many different types of backings on the market?

Wondering what types of correction can be done on site? New tools that solve problems?

## If you have answered "Yes" to any of these:

- Attend the CFI Technical Solutions Workshop in Dalton
- We'll give you the cause, effect and answers to why and how to overcome these concerns
- Spend one day with technical and hands-on approach to these questions and learn more

Contact the CFI office @ 816-231-4646 for more information

REGISTRATION IS REQUIRED – Non-Refundable registration fee is due September 4th, 2009.

After September 4, 2009, cost is \$200.00
